VICK HOUSTON works with carefully vetted high-end brands to deliver our clients the most reliable, cutting-edge automation solutions for their properties. We specialize both in installing new systems for commercial and residential properties, as well as auditing and redesigning pre-existing systems to ensure compliance and reliability.

We offer programming and integration of systems including lighting, shades, HVAC, pool control, security, and more, as well as maintenance and upkeep of those systems after installation.

We listen to our clients.

We will create and design a system that you want and to do what you want.

We are the leading distributor of CRESTRON with showroom & demonstration in Newport Beach
